

RE: Sports Relief 2020

Dear Parent/Carer

As you may be aware it is Sports Relief next week, 9th March - 13th March and as an Academy we are looking at supporting this event. Throughout PE lessons next week students will be participating in a running/walking based competition on the 3G. All students in year 7-10 will be involved and will all be competing for their College. All laps will be counted throughout the week so that we get an overall total for the week, as well as individual totals for each College.

We need all students to be in kit and prepared to participate in this event. Students will be able to participate in this event no matter what their individual fitness level as they will participate at their own pace. We encourage them to make sure they have inhalers if needed and to bring water to the lesson.

PE staff will have a donation bucket for students to make any donations towards sports relief.

We would like to thank you for your support with this event in advance.

Yours Faithfully

Nicole Lowe

Curriculum Lead for PE
