

Tuesday 15th June 2021

Dear Parent/Carer,

RE: New Year 7 Parents Information Update

As some of you will be aware Solihull Local Authority, in line with other authorities in the country, has advised against having face to face Transition Days due to the increase of COVID 19 cases in the Borough. As a result of this our Transition days on Wednesday 7th and Thursday 8th of July have had to be cancelled. We are looking at options to increase transition time at the start of the new academic term, therefore we are going to delay our New Year 7 Parents Information Recording that was due to go live tomorrow, until Wednesday 23rd June 2021.

This will allow time to provide further clarification on transition in September and we will let you know when this has been uploaded to the website. This will not be a live event and will be pre-recorded. If you have any questions/queries following watching the recording, please email the Transition Lead Mr Parfitt.

In the meantime, please do watch our Principal's welcome on the Transition website and explore the virtual tours. Link - <https://www.kingshurst.tgacademy.org.uk/parents/transition/>

The Summer School is still scheduled to run, at the moment so thank you for those parents who have requested a place for the week (9th-13th July). We will be sending letters shortly to give you further information about the planned activities and logistics.

I am sorry that once again we have had to change our transition events at such short notice due to situations beyond our control. We are planning to have College assemblies (online) in July to replace the Transition days so students can virtually see their key staff in advance of induction days in September. If you have any further queries, please do email our Transition Lead Mr Parfitt, iparfitt@kingshurst.tgacademy.org.uk.

Best wishes,

Lee Parfitt
College Leader - Transition Lead
