28th June 2021

Dear Parent / Carer,

Firstly, can we thank you for your support today, this is really appreciated, and your kind words have been gratefully received.

As mentioned on Friday, we are in the process of seeking additional guidance from Public Health England, the Department of Health and the Local Authority and wanted to communicate that we have now just had confirmation that this multi-agency meeting will be held at 4pm this afternoon. We know that this is not ideal, but as you can imagine, with the rise in cases across the area, all agencies are under pressure with time. We endeavour to communicate information regarding the academy opening, as soon as this meeting ends, and as soon as clear plans are in place. We will do this as quickly as possible.

We wanted to communicate our current position. Since Friday, we have received a further twelve positive cases (eleven students and one staff member) over the weekend and we have acted on this swiftly, ensuring that those that are impacted have been communicated to. Two positive lateral flow tests have returned negative PCR tests and staff and students who are isolating due to these positives have been called and spoken to (or will be receiving a call shortly). In total, we have over 300 members of our school community isolating with a total of 30 positive cases since Monday 25th June 2021. We again ask that all positive lateral flow tests (home-kits) and all positive PCR tests are reported to the academy through your college administrative team, or through office@kingshurst.tgacademy.org.uk, so we can continue to do our best to support the wellbeing of our community.

We continue to thank parents/guardians and staff, and students for their support and we ask for your continuing patience whilst we follow guidance in making the right decisions to secure the best possible response to this current situation. We will be in contact with you all following the meeting but advise that this will be after 5pm at the earliest.

Kind Regards

The Senior Team
Tudor Grange Academy Kingshurst
