

Dear Parents and Carers,

I do hope that you have all been able to enjoy family time and some festive fun over the Christmas period. We are looking forward to the return to school and I am writing to update you on guidance sent to all schools on Sunday 2nd January.

As you are aware, all schools have been asked to ensure that secondary school students undertake one on-site test, on return in January. A reminder that our arrangements are as follows:

Date of 1st Lateral Flow Test (allocated sessions for students who have consented for testing)

	Tuesday 4 th January 2022	Wednesday 5 th January 2022
Allotted Time Slot	Yr7, Yr11, Yr12, Yr13	Yr 8, Yr9 and Yr10
8.30am – 9.30am	Year <u>7</u> (Students in <u>Newton and Hawking</u>)	Year <u>8</u> (Students in <u>Newton and Hawking</u>)
10.00am – 11.00am	Year <u>7</u> (Students in <u>Pankhurst and Tull</u>)	Year <u>8</u> (Students in <u>Pankhurst and Tull</u>)
11.30am – 12.30pm	Year <u>11</u> (all form groups)	Year <u>9</u> (Students in <u>Newton and Hawking</u>)
13.00pm – 14.00pm	Year <u>12</u> (all form groups)	Year <u>9</u> (Students in <u>Pankhurst and Tull</u>)
14.30pm – 15.30pm	Year <u>13</u> (all form groups)	Year <u>10</u> (all students from <u>Newton, Hawking, Pankhurst and Tull</u>)

All students full return to the academy (students first day back)

	Wednesday 5 th January 2022	Thursday 6 th January 2022
Date of full time return to school	Yr7, Yr11, Yr12, Yr13	Yr8, Yr9, Yr10

Students are then strongly encouraged to continue testing twice weekly at home and to [report all results to NHS Test and Trace](#) and to us via your college admin, or via office@kingshurst.tgacademy.org.uk. Even if someone has tested positive for COVID-19 within the last 90 days, they are strongly encouraged to take part in LFD testing on-site or at home once they have completed their isolation period for their prior infection. If you want your child to be tested, but did not consent prior to the deadline, please contact the academy so that bespoke arrangements can be made.

Changes to self-isolation period

You may already be aware that since Wednesday 22 December, the 10-day self-isolation period for people who record a positive PCR test result for COVID-19 has been reduced to **7 days in most circumstances**, unless you cannot test for any reason.

Individuals may now take LFD tests on day 6 and day 7 of their self-isolation period. Those who receive two negative test results are no longer required to complete 10 full days of self-isolation. The first test must be taken no earlier than day 6 of the self-isolation period and tests must be taken 24 hours apart. If both these test results are negative, and you do not have a high temperature, you may end your self-isolation after the second negative test result and return to your education setting from day 8.

Anyone who is unable to take LFD tests will need to complete the full 10-day period of self-isolation. Further information is available in the [stay at home: guidance for households with possible or confirmed COVID-19 infection](#).

Daily testing for close contacts

People who are fully vaccinated, or children and young people aged between 5 and 18 years and 6 months, identified as a close contact of someone with COVID-19, should take an LFD test every day for seven days and continue to attend their setting as normal, unless they have a positive test result or develop symptoms at any time.

Contingency arrangements

We recognise that the high rates of COVID-19 may cause difficulties with the availability of our staff and we have plans in place to address this. **Our priority will be to keep school open and to continue with face-to-face education.** If we face staff shortages, we will:

- Redeploy available staff within school to cover classes where the teacher is absent
- Combine classes (as consistent groupings or 'bubbles' is not part of the current guidance)
- Use available staffing from external agencies

We have no plans to move to remote education, but it is important that we have plans in place should we need to do this at any point. Should there be a short term need for us to use remote education following advice from the DfE or Public Health officials then our arrangements will be as follows:

- A letter will be placed under the 'Parent Post' section of the website outlining all further information and guidance.
- A link to this letter will be sent to all parents via text messaging, placed on our official social networking sites and printed for all students who are in the academy.

Updated guidance on the use of face coverings

It is now strongly recommended that **face coverings are worn in classrooms where pupils in year 7 and above are educated.** This means, that the expectation is, that all students in Y7-Y13 must wear a mask inside and in lessons, unless medically exempt. Please contact us on office@kingshurst.tgacademy.org.uk or your college administrative team member, if this is the case for your child. The advice is short term only and will be in place until Wednesday 26 January, when Plan B regulations are currently scheduled to expire, at which point it will be reviewed. Thank you for the support we saw at the end of term for the use of face masks in all communal areas, we hope that we will see similar support for this short-term use of face masks in classrooms now.

Face masks and ventilation continue to be two of our strongest control measures. We have been using the CO2 monitors provided by the DfE to monitor ventilation in areas across the school. Staff will continue to ensure that they follow the guidance we have given to them to keep the spaces that they teach in well ventilated.

Examinations and assessments in January

All scheduled examinations and assessments will be going ahead as we originally planned; we will follow guidance issued by the awarding organisations and any students taking examinations will be provided with the details they need.

Supporting good attendance

We have been delighted that so many of our students have sustained good attendance throughout this year so far and we need to continue to focus on enabling this. Please continue to follow our routine procedures for reporting absences as quickly as you are able to so that we can focus our resources and available support.

The spring term is always one full of hope and optimism as the days eventually become longer and nature bursts into life again. We have been a very strong community throughout the trials of the pandemic, and I feel confident that we can navigate this next phase together, using what we have learnt. Please do communicate with us when you need to and thank you for your continued support.

Yours faithfully,

Miss N. Crehan
Principal
