Re: Exam update for Y11 students and families

Dear Families,

I am writing to provide you with details about the current exam period.

We are now approaching the final stretch of exams and students have conducted themselves positively throughout this exam season. I wanted to express my gratitude to you for your support during this period.

To support students with their exams and provide them with capacity for additional, personalised revision, the academy will be authorising all Y11 students to begin study leave from the end of **Friday 17th June 2022**.

Any student who requires a space to continue to revise in school, can continue to do so. We have provided a space for Y11 students only. Please can you contact the Bronte team for more information. If your child is in receipt of free school meals, we will make these available for collection, should your child who is revising at home require one. Any student who is attending school, who is eligible for free school meals may continue, as normal.

This means that all students will only need to attend for their exams and any compulsory revisions sessions.

Below you will find some key operational aspects which all students will be made aware of:

- The exam period window begins from 16-05-22 until 29-06-22. Although most exams will be completed by 24-06-22, there is a contingency day on 29-06-22 in case an exam is moved from its original time. Students need to be available for the whole exam period.
- Morning exams will start from 09.00, with afternoon exams expected to start no later than 1315. Students must be on time to all exams and may be reported to the exam board if late.
- Students are expected to make their way to the assembly hall in the morning when they have an exam and to arrive for 08.30. For all afternoon exams, they will need to be in the hall for 12.45. Students can attend the academy from 12.25 in order to have lunch if they wish to do so.
- Students are required to attend in correct uniform for all exams. Any student who attends, not in full uniform, may not be permitted to complete their examination. Once students have completed an exam, they are required to be off site and make their way home safely.

- Students are expected to attend all revision sessions they have for their remaining examinations. This is a **compulsory** requirement. Please see the schedule below for remaining revision sessions (exam prep).

Yours sincerely,
