

July 2022

Immunisation Team
Birmingham Community Healthcare
NHS Foundation Trust

HPV vaccination programme – offering protection against cancer.

Birmingham Community Healthcare NHS foundation trust is due to visit your child's school to see the children to administer the HPV vaccinations.

HPV vaccination offers protection against cancers caused by the HPV virus
When we first approached you for consent for the HPV vaccinations the vaccine was Gardasil.

We have been advised Gardasil is no longer available – the new vaccine is Gardasil 9-offering protection against more cancer-causing viruses.

Please see attached leaflet for more information or visit
www.bhamcommunity.nhs.uk/lmms

If you feel you no longer wish your child to have the HPV vaccination(s)–Gardasil 9 or have any questions, please contact us within 7 days of receiving this information.

Contact details:

- Telephone -- 0121 466 3460
- Email -BCHNT.Birminghamlmms@nhs.net
- Email -BCHNT.Solihullimms@nhs.net

If you previously refused for your child to have the HPV vaccinations but would now like them to receive the vaccinations please collect, complete, and return a consent form from school or contact the team as above.

Yours Faithfully
