

Dear Parents/Carers

**Year 8 Geography options event – 17<sup>th</sup> December 2018**

In order to help support students in making decisions on their GCSE options, we are hosting a GCSE Geography morning with an Ambassador from the Royal Geographical Society on Monday 17<sup>th</sup> December.

The aim of the session is to help students make an informed decision about choosing Geography and also see where Geography can take them in the future. We are delighted that the Ambassador hosting the session is an ex-student of the Academy currently studying Geography at Aberystwyth University, so she has a real understanding of her subject.

The session will be held during P1 (8:55-9:50) and will be a mixture of a talk, interactive activities, as well as time for the students to ask any questions they might have.

Places are limited to 35 for the year group, and will be allocated on a first come, first serve basis.

If your child would like to attend then please sign the form below and return to their Geography teacher as soon as possible.

In the meantime, should you have any questions about choosing Geography as an option at GCSE then please do not hesitate to get in touch.

Kind regards,

Mrs Grierson
