

Sixth Sense

Which Week?

This Week: 20th Sept Week 1

Next week: 27th Sept Week 2

Just a reminder that this **Friday (24th September)** is a **Staff Training Day** for the whole Trust. As a result of this, no year groups are required to attend the Academy as no lessons will take place and no work will be taught online on this scheduled day in the calendar. Normal service is resumed on Monday 27th September.

Lockers Are Go!

The Common Room lockers are all set and ready to go for those of you who would like them in order to ease the need to carry lots of things around all of the while.

Initially, lockers will be prioritized for Year 13 students (Year 12, we will pay you the same courtesy next year) first and foremost. Once we have been able to ascertain that all of the

Year 13 have been allocated a locker from those who would like them, we will then make them available to Year 12 students.

There is a £3 deposit for a locker, payable when being allocated one that will cover the cost of a replacement key should one be lost and in addition, all owners of lockers are required to sign an agreement outlining the conditions of use for the locker within the Academy. Year, please speak to John Bowers if you would like to be allocated a locker.

Morning Registration and Standards

in response to the actions seen during the first fortnight, please can I remind you all that **attendance is required for you ALL at 8.30am in your tutor period.**

The **ONLY** exception to this is for those of you who have a irregular day on a timetable with an extremely late '1st lesson' of the day.

In this instance, we have asked for you to meet with your head of year, Mr Curran or Miss Foster in order for this to be formally authorised via a separate permissions form.

Given that you are all required to schedule independent study sessions within your own timetable, it may be prudent to organise these on days where these natural gaps occur.

Please do not presume that all requests will be met as this is at the discretion of the head of year. It is normal for us to require you to be in and utilizing independent study where a first lesson occurs during the late morning.

Morning sessions now include Information, Advice and Guidance sessions, tutorials, assembly, the Knowledge is Power programme of learning in addition to the weekly form quiz that your efforts contribute to against the other forms in addition to careers sessions that have already encompassed sessions by the Careers Team in addition to Mrs Armitage as our UCAS Coordinator.

Keep your eye on additional emails and messages from tutors regarding other opportunities. Some of these come to us with a very short deadline such as the Psychiatry Autumn School or an NCS opportunity. **If you are interested—go for it!**
