## Meet Your Student Representatives!

### Head Student Year 12

**Matthew Salter**

I am delighted to announce that Matthew Salter will represent Year 12 over the course of this year. Matthew is a member of 12G2 and is studying a Physics A Level alongside BTEC IT. I am confident that he will be a great role model and will contribute to the success of our Sixth Form by communicating your views and ideas.

When asked what skills and attributes he would bring to the role, Matthew said:

*"I am a very teamwork oriented individual, able to support or lead teams of all kinds and play to each members strength. I also have a very unorthodox way of thinking, meaning I can see and solve a problem differently than others could."*

This term, Matthew will be supported by four fantastic Form Captains. The team had their first discussion last Friday before Matthew met with Mr. Turner, and it was clear that the group have some great ideas and are determined to act in your best interests.

### Head Student Year 13

**Madison Kelly**

We are delighted to announce that Madison Kelly is to be Head Student for Yr.13. Madison studies three A levels, Biology, Chemistry and History and she is a member of Mrs Grierson's form 13G3. We believe she will be an outstanding Head of Year 13.

We had some really strong applications for the position, however Madison's application was exceptional and we would like to highlight one extract from her application,

"...capacity to work efficiently and yielding positive results both independently and as a group - is integral to taking on the leading role within the Student Council because ensuring that all voices and perspectives are heard and taken into account when making decisions." We are confident that concerns raised by Yr.13 students will be addressed.

The applications were so good that we decided on appointing an Associate Head of Year 13, which will be Daniel Beechey, along with two other appointments, Mark Lucas and Joshua Fowler as committee members.

We would also like to take this opportunity to highlight the four Form captains, who have been chosen by classmates to represent their views. We will meet with the Head of Year, Associate Head and committee on Monday 8.30 Week 1 and the Form Captains Monday 8.30 Week 2, to endeavour that the thoughts and views of the Year 13 students are being heard.
