This Week: 1st Nov Week 2
Next week: 8th Nov (Week 1)

Sixth Sense

'ASK', and you shall receive!

Given that this week would have normally been an 'Assembly' week, we will be utilizing the tutor time period for a more bespoke Careers agenda purpose this week.

THURSDAY = DRAMA STUDIO

FRIDAY = MAIN HALL

We are delighted to welcome 'ASK', or 'Apprenticeship Support and Knowledge' in to the Academy to work with the Sixth Form students. Following one from Helen Cunningham's careers presentation regarding the many different versions of Apprenticeship levels and pathway that include a salary, in addition to being part of a degree programme at university, this week's sessions will take you through this enticing destination route that is growing in popularity and allows you to work in a phenomenal range of different roles within a incredible range of employers, both large and small. You will be registered at these locations by your tutors rather than having to go to your form rooms.

ASK ABOUT APPRENTICESHIPS

It's the most wonderful time of the year (almost)!

I hope you all had an excellent half term last week. As Halloween very quickly evaporates away, and mince pies begin appearing in the shops, I'd like to remind you all of the being able to click back into gear in order to engage with the needs of another busy half term.

For our Year 12 students, your feet are now well and truly underneath the table and you will now be veterans at knowing the eb and flow of your two week timetable and will be aware that a first of two Trust Assessment weeks will occur over the course of this half term that will permit us to get a first look as to how you are progressing in your respective qualifications. Please continue to utilize time fruitfully towards making YOU better through diligent study, completion of homework/coursework and a desire to work with others and improve.

For our Year 13 students, we are of course embarking upon a Mock Examination fortnight (including formal retake GCSE English exams for Yr12/13). Please refer to the schedule below for this week. Please approach them in your typically mature manner—commit time to preparing for these, and do your very best...it is all we can ask of you. The Sixth Form Team all wish you the very best of luck!
