Friday—TGAK 'Jubilee Day'

As you will all be aware, this year, Her Majesty The Queen will become the first British Monarch to celebrate a **Platinum Jubilee**, for her seventy years of service to both the country and the Commonwealth. Despite her father, King George VI, passing away on 6th February 1952 and her acceding to the throne at this point at only 25 years of age, her coronation took place the following year on 2 June 1953 at Westminster Abbey in London.

Across the country an extended bank holiday will take place, from Thursday 2nd to Sunday 5th June and will provide an opportunity for communities and people throughout the United Kingdom to come together to celebrate the historic milestone. However, in the case of many educational settings, this will take place within a traditional half term period and as such, Centres have been able to assign an alternative 'Jubilee' bank holiday day, and for us this will be this coming **Friday 25th March 2022**. We return as normal on Monday 28th March.

Parents Evening: Wednesday 4pm

This week also marks our Sixth Form Parent's Evening for both Years 12 and 13.

Our new dining area will feature as the venue for this event and therefore we encourage students to lead their parents around to the main Student Entrance to A Block. This is the first face-to-face Sixth Form Parent's Evening to take place for two years and therefore parents may need support in being directed around to this location where they will be able to sign in before following the new corridor around the entrance of this area.

The event starts at 4pm, through to 7pm and we look forward to seeing all parents and carers at this point. If there are any challenges booking appointments online, please direct them to email the Sixth Form Administrator at skusar-ahmed@kingshurst.tgacademy.org.uk in order to receive support.

The Careers Team of Jacqui Robinson and Helen Cunningham will both also be in attendance during the Parent's Evening, based within the dining area also.

I'm sure you've got it all sewn-up already, but if not, please remember that it is Mother's Day on Sunday 27th March. For the price of hug and heart felt thanks in recognition of everything that your mum/mom/mother does may do for you, I'm sure it will be very much appreciated. I hope many of you are able to 'level-up' with a card and bunch of flowers/daffodils and maybe a cup of tea in bed for them on Sunday!

Unifrog Session for Parents/Carers

As a key Careers tool available to ALL Sixth Form students, Director of Sixth Form, John Bowers will be taking parents and carers through 15-minute keynote presentation to model some of the popular functionality of this excellent online-based system.

These sessions are also scheduled to take place **during Parent's Evening on Wednesday 23rd March and will take place in the Main Hall at both 4.30pm and 5.30pm.**

A verbal notice will also be given at each point within the dining area in order to make them aware of each session.
