

Sixth Sense

Which Week?

This Week: 4th April (Week 1)

Easter Holiday: 9th -24th April

Return: Mon 25th April (Week 2)

The Sixth Form Team at TGAK extends its very best wishes for the holy month of Ramadan.

Ramadan Mubarak to all of our Muslim students and their families of whom we wish a blessed month.

Did Somebody Say Just (Don't) Eat

Please can I take the opportunity to remind you all that NO TYPE of food delivery service is permitted at the Academy or to be brought on site.

To do so would break our code of conduct. Were any students to leave site (when permitted to do so) and purchase any fast food, this would need to be consumed off-site.

Signing-out/Leaving Site

Just a friendly but ESSENTIAL reminder that as and when you leave site prior to 3.05pm, we require you **ALL to sign out** with Safina at the Sixth Form Office in D Block. There are no exceptions to this safeguarding requirement.

End of Term Arrangements

This Friday marks the final day of the Spring Term. It will be a normal Academy day that will finish at the normal time of 3.05pm.

Friday will also be a non-uniform day, with the traditional £1 donation, collected during the tutor period, going towards the Ukraine crisis appeal led by the British Red Cross.

We would also like to wish everyone a Happy Easter when this arrives midway through the two-week school holiday.

As indicated in the 'Which Week?' box above, we have a full two-weeks off, and will return as of 8.30am on Monday 25th April (which will be a 'Week 2' within our two-week timetable).

Springpod—Additional Employer Programmes on Attached PDF Document

1.Go to www.springpod.com 2.Click 'Get Started' in top right corner 3.Select Student 4.Add an email and create a password 5.Complete 'A bit about you' 6.Check email for a verification code 7.Click what you plan to do next – you can always change this in your dashboard later

The additional attachment to the Sixth Sense email will have a PDF document attached to it with details of all of the upcoming EMPLOYER PROGRAMMES, from the NHS, Nestle, Fujitsu Accountancy and Mechanical Engineering experiences.
