Welcome Back

We hope that you have had an enjoyable Easter, whether that has been running around trying to find all those Easter eggs (you are never too old for an Easter egg hunt) or just enjoying some time with your loved ones

Happy 96th Birthday To Her Majesty The Queen and looking forward to her Jubilee

The Queen celebrated her 96th birthday on Thursday last week. Her birthday celebration took place at Sandringham, which was the place of her accession to the throne in 1952. The Queen will be the first monarch to celebrate a Platinum Jubilee of 70 years on the throne later this year.

Reflecting on celebrations we often never reflect on the milestones that Yr.12 and Yr.13 reach within their time in Sixth Form., such as completing their theory and learning to drive, some passing their test and owning that first car. Many students become 18 within their time in Sixth form, moving from teenagers to adulthood. People often think of Sixth Form and qualifications but much more happens within those years.

Summer Exam Series

As we enter Summer term many of our thoughts turn towards examinations, whether these are Mock or Final exams. It has been such a difficult 24 months for students and our thoughts are with you for the exam series ahead.

If for any reason you feel stressed, underprepared please speak to Form Tutors, Teaching staff, Sixth form team or your friends and family to seek help and support, please do not suffer in silence.

We would like all Sixth form students to display the Tudor Grange Character Habits of being respectful of one another, especially for those students revising within the common room.

If you require any information in regards to examinations please come and find someone within the Sixth Form team.
