

Which Week?

This Week: 6th June (Week1)

Next Week: 13th June (Week 2)

Sixth Sense

Page 2—Exam overview for the week

I hope you all managed to balance your time set aside for work and for play over the half term break. Given

the unprecedented four-day bank holiday, I hope you were able to find some time to pause, partake in some of the festivities, whether with family, locally or indeed via the televised events where there appeared to be something for everyone. A Jubilee party in the Hodge Hill managed to make it into the Birmingham Mail which was good to see and hopefully none of you had any plans affected by Sunday's poor weather. As ever, British summertime provides no guarantee of good weather!

GCSE Mathematics and English Language Resit Examination

Just a friendly reminder to those of you re-sitting either GCSE Maths or English that there are examinations **that take place this week**. Please see below for details:

Maths: Tuesday 9am (calculator paper)

English Language: Friday 9am (Paper 2)

UCAS 2022 UCAS Exhibition 21st June

A strong reminder to all of our Year 12 students that the 2022 UCAS Exhibition is fast approaching.

As a Sixth Form we will be returning to the NEC for the first UCAS Exhibition since the beginning of the pandemic.

We are fortunate to be located so favorably to the NEC in order to attend on 21st June 2022, and as such **it is imperative for you to return you consent form to Safina in the Sixth Office in D Block.**

The exhibition provides the opportunity to speak to representatives from every university in the UK all under one roof and therefore is a superb information-finding exercise for CEIAG (careers education, information, advice and guidance) for course or subjects that may be of particular interest to you.

It is important to remind you that attending you exhibition commits you to nothing, and indeed, in addition to talking face-to-face with university representatives, there will also be the opportunity to experience:

- **Live application clinics and personal statement workshops**
- **Course and careers taster sessions**
- **Student talks and Q&As**
- **Expert advice on how to research and choose what's right for you**

For those of you considering an alternative pathway Post-18, the National Apprenticeship Service, apprenticeship providers and employers will also be in attendance at the exhibition.

A full list of exhibitors can be found at the following web-address:

<https://www.ucas.com/node/403981/view/exhibitors>

In the event of requiring a replacement consent form, please see Safina, or indeed Mrs Armitage, our UCAS Coordinator who is running this educational visit.
